History of the fund

Founded in 2004 in Ottawa, Ontario, the Westboro Mortgage Investment Fund was initially focused on servicing the alternative residential mortgages needs of local residents. The fund has built, fostered, and maintained hundreds of relationships with broker clients, borrowers, investors, and advisors. Leveraging these long-term relationships has allowed the fund to expand in size and scope. Throughout the years, the fund has strategically expanded its lending region to include Central and Southwestern Ontario and the Gatineau region of Quebec. Today, the fund manages assets in excess of \$300 million all while maintaining the primary objective of providing investors with a consistent and stable fixed income solution for their investment portfolio.

Key Benefits of the Fund
